St. Tammany Parish Department of Health and Human Services staff will gladly assist applicants in the preparation of their Community Development Block Grant Public Service application. During the designated Technical Assistance Period any applicant may direct questions to staff members regarding CDBG or the grant application. While staff will be available to provide guidance on the grant process, the applicant is ultimately responsible for successfully completing the application and all necessary reports related to CDBG funding. It is the applicant's responsibility to ask questions or follow up on any issues that are not clear.

CDBG Program Overview

Introduction

The Community Development Block Grant (CDBG) is a federal program that provides comprehensive and flexible funding to address the specific needs of the individual communities. The CDBG program works to ensure decent affordable housing, maintain clean and safe neighborhoods and communities, to create jobs through economic expansion or business retention, and many other services to benefit the most vulnerable in our communities.

The CDBG program is authorized by Title I of the Housing and Community Development Act of 1974, as amended. The policies and procedures applicable to the programs authorized under Title 1 are described in the Code of Federal Regulations, Title 24 Part 570. The CDBG program is one of the longest continuously run programs at the U.S. Department of Housing and Urban Development (HUD), which provides annual grants on a formula basis to State and local governments across the country.

National Objectives

CDBG-funded activities must meet an eligible activity within the Code of Federal Regulations (24 CFR 570), one of three National Objectives established by Congress, and one of the Priority Needs from the St. Tammany Parish Government Five-Year Consolidated Plan.

The National Objectives are as follows:

- To benefit low- to moderate-income persons and/or households;
- To aid in the prevention or elimination of slums or blight; or
- To address community development needs having a particular urgency.

St. Tammany Parish Government was awarded “entitlement” status in 2008 and has successfully managed the CDBG program since that time. The program is maintained through the Department of Health and Human Services, which is responsible for all forms of management, compliance and monitoring of CDBG funds.

Organization Requirements

All organizations applying for funds must be able meet the following requirements:

Non-Profit

Applicant organizations must be a public or private non-profit organization. Applications must be established, operating organizations as evidenced through documentation required in this application.

Faith-Based Organizations

Faith-Based Organizations are eligible to apply for CDBG funding; however, CDBG funds *cannot* be used to support worship or religious instruction. Faith-based organizations may not use direct CDBG funds to support inherently religious activities such as worship or religious instruction. Religious activities may be offered separately from the CDBG supported activity and beneficiaries must not be required to participate in religious activities. Finally, faith-based organizations that participate in the CDBG program may not discriminate against program beneficiaries on the basis of religion or religious belief.

Non-Discrimination

Each agency receiving funds from the Parish is required to assure that it will conduct its business in compliance with the non-discrimination requirements of the Parish, State, and Federal governments, as applicable.

Reports and Milestones

Any organization which receives CDBG funding is required to maintain and report demographics and statistics of its project beneficiaries, regardless of the amount of the grant. These reports must be submitted monthly to the Department of Health and Human Services. Milestone achievement will be established in the grant agreement in order for St. Tammany Parish to monitor the progress and success of a program. Organizations which consistently submit late reports or fail to meet milestone accomplishments may not be considered for a continuation of funding in subsequent years. All records must be kept for a minimum of five years

Insurance

Once an organization's project has been approved, at the time of contract signing, the organization must provide evidence of insurance, including but not limited to, Commercial General Liability, Professional Liability and/or Malpractice Liability, Commercial Auto Liability, and Workers' Compensation/Employers Liability. The organization must agree to have St. Tammany Parish named as an additional insured on the liability insurance policies, where possible, and the policies shall be endorsed to provide a waiver of subrogation in favor of St. Tammany Parish.

Federal Funding Accountability and Transparency Act

Any entity receiving Community Development Block Grant funding in excess of twenty five thousand dollars must comply with all regulations of the Federal Funding Accountability Act Subaward Reporting System, as defined in 2 CFR 170. The Transparency Act requires an organization to provide the names and total compensation of the five most highly compensated officers to DHHS for federal reporting.

Project Requirements

Eligible Public Service Activities

CDBG regulations, under 24 CFR 570.201(e), allow the use of grant funds for a wide range of public service activities including, but not limited to:

- Child Care
- Crime Prevention and Public Safety
- Education Programs
- Employment Services Including Job Training
- Energy Conservation
- Fair Housing Counseling
- Health & Drug Abuse Care & Education
- Health or Mental Health Services
- Homebuyer Pre-purchase Counseling
- Homeless Person Services
- Recreation Services
- Senior Citizen Services

* Preference will be given to application for activities targeted in the St. Tammany Parish Consolidate Plan. These activities are identified in that Public Service Grant Application.

Project Location

An eligible project must serve residents of St. Tammany Parish. Particular consideration will be given to those projects providing services inside an identified target area. 2013-2017 CDBG target areas are: West 30's neighborhood of Covington, Browns Village Road area of Slidell and the Highway 433/Highway 190 area of Slidell. For specific information on the identified target areas, please contact the Community Development Staff within the Technical Assistance period.

Income Eligibility Limits

To be eligible for CDBG assistance, a public service must serve low-moderate income persons. Low- to Income eligibility is determined by family size. HUD defines "family" as all persons living in the same household who are related by birth, marriage or adoption (24 CFR 570.3). Low- to moderate-income families are defined as those at or below 80% of the area median income. These numbers are updated annually by HUD. Documentation of the benefit to low- and moderate-income level persons is required of every project funded. Income verification for entire households is one of the most important aspects of the program. Below are the current limits for St. Tammany Parish:

FY 2017 Income Limits Percentage of Median Income for St. Tammany Parish			
Number in Family	Very Low Not greater than 30%	Low Not greater than 50%	Moderate Not greater than 80%
1	\$ 13,300	\$ 22,200	\$ 35,500
2	\$ 16,240	\$ 25,350	\$ 40,550
3	\$ 20,420	\$ 28,500	\$ 45,600
4	\$ 24,600	\$ 31,650	\$ 50,650
5	\$ 28,780	\$ 34,200	\$ 54,750
6	\$ 32,960	\$ 36,750	\$ 58,800
7	\$ 37,140	\$ 39,250	\$ 62,850
8	\$ 41,320	\$ 41,800	\$ 66,900

Audits, Inspections and Monitoring

The Department of Health and Human Services will audit and/or monitor the progress of the organization via monthly reports, telephone calls, and on-site monitoring visits. During monitor visits, the organization must make available all appropriate records, reports or policies that DHHS requests to inspect.

Application

Application Guidelines

The application packet is available on the Department of Health and Human Services website or by request. All applications should be typed and must be kept in the original format. Other than required attachments, do not add pages to the application for extended narratives. Only use the space provided for you in the application.

Budget Justifications

Please provide specific details as to how the requested amount for each line item was determined:

1. Program Manager:
10 hours of CDBG work per week x 52 weeks per year = 520 hours x \$32.80/hour = \$17,056.00 x 1.35% fringe
= \$17,286.26
2. Program Counselor:
10 hours of CDBG work per week x 52 weeks per year = 520 hours x \$24.42/hour = \$12,698.40 x 1.35% fringe
= \$12,869.83
3. Program Counselor:
10 hours of CDBG work per week x 52 weeks per year = 520 hours x \$24.42/hour = \$12,698.40 x 1.35% fringe
= \$12,869.83
4. Materials are estimated to cost \$15.00 per course, only half will be budgeted to CDBG
Material cost \$7.50 per student x 3 classes = \$22.50/student x 120 students served = \$2,700.00
5. Program advertising will be essential to the program for recruiting. Monthly expenses will include printing of flyers and mailers, ads in local newspapers and other media outlets. \$100.00 per month x 12 = \$1,200.00

Scoring

Scoring Criteria

HUD allows St. Tammany Parish to select activities in accordance with its own community development objectives. The CDBG staff will score application using a standardized form individually and privately. The cumulative scores will be used to determine recommendations for funding.

St. Tammany Parish has adopted standard criteria by which to judge funding requests:

1. **Capacity, Qualification, and Application Accuracy** – based on application completeness, including all required attachments and certifications, review organization history and community standing.
 2. **Program Design** – based on applicant's proposed project plan which should be reasonable and clear.
 3. **Consolidated Plan and Need** – based on the community need for the proposed program and whether it targets a priority needs identified in the consolidated plan.
 4. **Leveraging CDBG funds** – based on applicant's proposed funding match which will ensure financial sustainability.
 5. **Impact** – based on affect the project will have on the individuals it will serve.
 6. **Sustainability** – based on the applicant's ability to successfully manage the program as evident in the proposed plan for intake, record keeping, daily management, etc.
 7. **Projected and Reasonable Impact** – based on the average program cost per client.
 8. **Applicant's History** – based on applicant's experience managing similar projects/grant funding

Eligible Activities and Descriptions

Eligible Activities and descriptions

Matrix Code	Eligible Activity Description
05A	<p>Senior Services</p> <p>Services for the elderly. 05A may be used for an activity that serves both the elderly and the handicapped provided it is not intended primarily to serve persons with handicaps. If it is, use 05B instead.</p>
05B	<p>Handicapped Services</p> <p>Services for the handicapped, regardless of age.</p>
05C	<p>Legal Services</p> <p>Services providing legal aid to low- and moderate-income (LMI) persons.</p> <p><i>If the only legal service provided is for the settlement of tenant/landlord disputes, use 05K.</i></p>
05D	<p>Youth Services</p> <p>Services for young people age 13 to 19 that include, for example, recreational services limited to teenagers and teen counseling programs. Also use 05D for counseling programs that target teens but include counseling for the family as well.</p> <p><i>For services for children age 12 and under, use 05L; for services for abused and neglected children, use 05N.</i></p>
05E	<p>Transportation Services</p> <p>General transportation services.</p> <p><i>Transportation services for a specific client group should use the matrix code for that client group. For example, use 05A for transportation services for the elderly.</i></p>
05F	<p>Substance Abuse Services</p> <p>Substance abuse recovery programs and substance abuse prevention/education activities. If the services are provided for a specific client group, the matrix code for that client group may be used instead. For example, substance abuse services that target teenagers may be coded either 05D or 05F.</p>
05G	<p>Services for Battered and Abused Spouses</p> <p>Services for battered and abused spouses and their families.</p> <p><i>For services limited to abused and neglected children, use 05N.</i></p>
05H	<p>Employment Training</p> <p>Assistance to increase self-sufficiency, including literacy, independent living skills, and job training.</p> <p><i>For activities providing training for permanent jobs with specific businesses, use 18A.</i></p>
05I	<p>Crime Awareness/Prevention</p> <p>Promotion of crime awareness and prevention, including crime prevention education programs and paying for security guards.</p>

05J	Fair Housing Activities (subject to Public Services cap) Fair housing services (e.g. counseling on housing discrimination) that meet a national objective. <i>For fair housing services activities carried out as part of general program administration (and thus not required to meet a national objective), use 21D.</i>
05K	Tenant/Landlord Counseling Counseling to help prevent or settle disputes between tenants and landlords.
05L	Child Care Services Services that will benefit children (generally under age 13), including parenting skills classes. <i>For services exclusively for abused and neglected children, use 05N.</i>
05M	Health Services Services addressing the physical health needs of residents of the community. <i>For mental health services, use 05O.</i>
05N	Services for Abused and Neglected Children Daycare and other services exclusively for abused and neglected children.
05O	Mental Health Services Services addressing the mental health needs of residents of the community.
05P	Screening for Lead Poisoning Activities undertaken primarily to provide screening for lead poisoning. <i>For lead poisoning testing/abatement activities, use 14I.</i>
05Q	Subsistence Payments One-time or short-term (no more than three months) emergency payments on behalf of individuals or families, generally for the purpose of preventing homelessness. Examples include utility payments to prevent cutoff of service and rent/mortgage payments to prevent eviction.
05R	Homeownership Assistance (not direct) Homeowner downpayment assistance provided as a public service. If housing counseling is provided to those applying for downpayment assistance, the counseling is considered part of the 05R activity. Assistance provided under 05R must meet the low/mod housing national objective. Therefore, unless the assistance is provided by a CBDO in an NRSA, it is subject to the public service cap and only low/mod households may be assisted. If the assistance is provided by a CBDO in an NRSA, the housing units for which CDBG funds are obligated in a program year may be aggregated and treated as a single structure for purposes of meeting the housing national objective (that is, only 51% of the units must be occupied by LMI households). <i>For more extensive types of homeownership assistance provided under authority of the National Affordable Housing Act, use code 13.</i>
05S	Rental Housing Subsidies Tenant subsidies exclusively for rental payments for more than three months. Activities providing this form of assistance must be carried out by CBDOs.

05T	Security Deposits Tenant subsidies exclusively for payment of security deposits.
05U	Housing Counseling Housing counseling for renters, homeowners, and/or potential new homebuyers that is provided as an independent public service (i.e., not as part of another eligible housing activity).
05V	Neighborhood Cleanups One-time or short-term efforts to remove trash and debris from neighborhoods. Examples of legitimate uses of this code include neighborhood cleanup campaigns and graffiti removal.
05W	Food Banks Costs associated with the operation of food banks, community kitchens, and food pantries, such as staff costs, supplies, utilities, maintenance, and insurance.
03T	Operating Costs of Homeless/AIDS Patients Programs Costs associated with the operation of programs for the homeless or for AIDS patients, such as staff costs, utilities, maintenance, and insurance. Because payment of operating costs for these programs is a public service under CDBG, all CDBG expenditures for 03T activities are included in the calculation of the Public Services cap.
